HUGGINSTOWN & DISTRICT COMMUNITY CENTRE DEVELOPMENT PLAN

2023 - 2025

Development Proposal

Carrickshock GAA Club are undertaking a new development plan to develop a new all weather training facility and walking track on the club's existing land in Hugginstown. An extension and refurbishment works to the existing Sports and Community Hall will also be undertaken to include the construction of a new gym, sports studios, meeting rooms, dressing rooms and toilet facilities.

Timeline

Mid 2023 will see the commencement of works on the new Carrickshock GAA Development in Hugginstown. This project will be split into 2 phases.

Phase 1:

Construction and installation of a new large all weather playing surface, surrounding ball wall, walking track and associated fencing. It is hoped that Phase 1 will be completed before the year end.

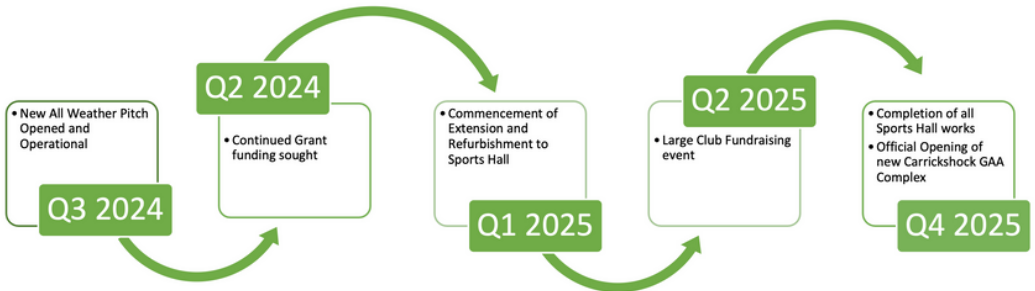

Timeline

Phase 2:

Mid 2024 will see the commencement of Phase 2 of the development which will include an extension of the Community Hall, new Gym, meeting rooms and sports studios. Refurbishment works and redecoration of the existing dressing rooms will also be undertaken.

Project Costings

The project has been fully costed and is estimated that on completion, the project will cost €870,000 over the 3 years.

Funding

Funding the project will consist of many elements from varying sources outlined below.

1. Community Contribution Scheme
2. Corporate Contribution Scheme
3. Club Fundraising Events

Funding

Community Contribution Scheme:

The Club is aiming to secure 200 members of the community to commit to financial contributions under 3 payment options:

1. A once off payment of **€900**
2. 3 Annual payments of **€300** for 3 years.
3. Monthly payments of **€25** for 3 years.

In return for your generous commitment and to show our sincere appreciation, we will erect an acknowledgement plate on the fencing around the walking track for each contribution, similar to that shown in the image below.

The club have already received a Sports Club Tax exemption and will be able to receive a tax refund on your generous contribution, effectively increasing your contribution by potentially another €360.

Funding

Corporate Contribution Scheme:

The Club is asking the local business community to help us in our plans to build a community facility and centre that will improve the health and well being of it's people and create a space that is open and available to all.

We are asking for a once-off generous and tax deductible **€5,000** sponsorship & advertisement package from businesses. This will get your business a large advertisement space along our entrance wall for the next **five years**. Each space is approximately 3m x 2.5m with your own business advertised on a 1.5m x 0.5m advertising board similar to the image below. In addition and to show our sincere appreciation for your sponsorship, the club are erecting a large permanent commemorative 'Friends of Carrickshock' plaque on the wall of the Community Centre thanking those who have helped us realise our, and the local communities, dream.

The Benefits

Improved Club Facilities: The new all weather training facility, walking track & community hall extension will vastly improve the clubs facilities and become a focal point for the community.

Extended Playing Time: The new astroturf pitch can be played on all year round, in all types of weather. Meaning our players will get more opportunities to play/train and stay active.

Support Local Schools: The all weather pitch will be available to the local primary schools and help them to promote an active healthy lifestyle for the students.

Improve Community Health & Wellbeing: Access to the walking track and all weather facility will help improve the health and wellbeing of those within the parish for years to come.
