VIRTUAL OR IN-PERSON CONSULTATIONS

Before proceeding with the treatment, a detailed consultation will be conducted to assess your suitability, discuss your aesthetic goals, and explain the risks and benefits involved. This consultation is crucial for ensuring that neurotoxins are the right choice for you.

VIRTUAL OR IN-PERSON *Consultations*

CONSULTATION REQUIREMENT

For all initial appointments, a virtual or in-person consultation is required to understand your aesthetic goals, perform an overall assessment, provide treatment recommendations, discuss pricing, and address any questions with the healthcare professional before booking services.

OPTION 1: VIRTUAL CONSULTATION | FREE

Book a FREE 15-30 minute virtual consultation with our experts to discuss your aesthetic goals. We'll evaluate your needs, offer personalized recommendations, and help you achieve your desired results—all from the comfort of your home. Sessions will be held either over the Phone, Google Meet, WhatsApp video call or FaceTime video call. This is required for all initial appointments for any of the services.

OPTION 2: IN-PERSON CONSULTATION | \$50 DEPOSIT

Book an in-person consultation for \$50, which will be credited towards your next appointment. Please note this fee is non-refundable. Schedule your session today to discuss your aesthetic goals with our experts.

FACIALS

MENU

Facials

REFRESH FACIAL | \$130

Rejuvenates and refreshes your skin with deep cleansing, gentle exfoliation, and hydration, leaving your complexion radiant and revitalized. Perfect for maintaining healthy, glowing skin.

SIGNATURE FACIAL | \$140

Experience the luxury and indulge your skin with a tailored deep pore cleansing, mechanical exfoliation, extractions, and lymphatic facial massage.

PREMIUM FACIALS

Premium Facial Services for a tailored and specialized treatment.

LED Light Therapy | \$150

Chemical Peel | \$150

Microneedling | \$350

Skin Booster Facial | \$475

Botox Facial | \$500

Vampire Facial (PRP) | \$500

PREMIUM *Facials*

LED LIGHT FACIAL | \$150

Rejuvenate your skin with our LED Light Facial, harnessing specific light wavelengths that stimulates collagen production, reduces inflammation, and improves overall skin tone and texture.

CHEMICAL PEEL | \$150

Professional peels are blends of acids that will help improve the appearance of fine lines and wrinkles, dark spots (hyperpigmentation), rosacea, acne and some sensitive skin conditions. Chemical peels range from very mild to medical strength.

PREMIUM *Facials*

MICRONEEDLING | \$350

Microneedling, or collagen induction therapy, uses fine needles to create tiny punctures in the skin, stimulating natural collagen and elastin production. This treatment improves skin texture, reduces scars and wrinkles, and enhances product absorption.

SKIN BOOSTER FACIAL | \$475

A skin booster facial hydrates and revitalizes skin using hyaluronic acid injections that improve elasticity and moisture retention. This treatment enhances collagen production, reduces fine lines, and leaves skin looking plumper and more radiant.

PREMIUM *Facials*

VAMPIRE FACIAL (PRP) | \$500

A vampire facial, or PRP therapy, uses a patient's own blood to enhance skin rejuvenation. Blood is drawn, processed to enrich platelets, and then reintroduced to the skin, often with microneedling to improve absorption. This stimulates collagen production, reducing wrinkles and improving skin texture.

BOTOX FACIAL | \$500

A Botox facial, also known as micro-Botox, is a cosmetic procedure that enhances skin texture by injecting small doses of Botulinum toxin superficially into the skin. This treatment targets fine lines, wrinkles, and enlarged pores without significantly affecting facial expressions, offering a natural look.

INJECTABLES

BOTOX

Neurotoxins

\$8-\$10/ PER UNIT

Neurotoxin treatments, such as Botox, involve small injections that relax facial muscles to smooth wrinkles and fine lines, offering a rejuvenated appearance with minimal downtime.

SIGNATURE TREATMENTS

FACIAL REJUVENATION | 30-150 UNITS

Used as a complete approach to facial rejuvenation.

LIP FLIP | 2-8 UNITS

Subtle fullness for a more pronounced pout.

FACIAL SLIMMING/ MASSETERS | 20-50 UNITS PER SIDE

Used for facial slimming, jaw clenching, teeth grinding and relieving headaches.

JAWLINE SLIMMING | 20-50 UNITS PER SIDE

Reduces the jawline size using neurotoxin.

HYPERHIDROSIS | 100-200 UNITS

Reduces sweating when injected into sweat glands

DERMAL *Fillers*

Dermal fillers are injectable treatments that restore volume and smooth out wrinkles, enhancing facial contours for a youthful and refreshed appearance.

1 syringe | 1ml | \$500

We offer discounted pricing on multi-syringe filler treatments for a more balanced, long-lasting result. Full-face rejuvenation often requires multiple syringes, and our exclusive savings make it easier to achieve your aesthetic goals. Book a consultation to learn more!
